88 R.M.

2227 Heat Units  
to Black Layer

- Tremendous drydown
- Excellent stress tolerance
- Top notch seedling vigor
- Well adapted from east to west
- Handles variable and tough soils well

Expect great yield/moisture ratios with this hybrid! Excellent drydown with great grain quality. This hybrid is a great fit for farms with variable and tougher soils. Handles heat and drought stresses very well and has good top end yield to go with it.

Pilgrim Brand Hybrids
