

EMS 1040 ^{Brand}

104 R.M.

2510 Heat Units
to Black Layer

- Excellent silage tonnage and quality
- Tall plant with well above average yields
- Makes excellent silage
- Adaptable and handles stress well
- Great all around agronomics
- Above average plant health

Our longest lasting hybrid to date. Performs well across multiple soil types and yield environments. Handles stresses very well but also has some very high top end yield potential. An excellent silage hybrid that will make a high quality feed.
